Auction sales set record

Women's Lib certainly caught up with the Medina County Junior Livestock Show this year as grand and reserve champions in steers, fryers and two lamb divisions.

Shirley Wurzbach, Rio Medina 4-H, exhibited the Grand Champion steer, while Sherry Sultenfuss, Devine 4-H, showed the Reserve Champion.

The Lessing sisters, Christi and Carol, teamed up to show the Grand and Reserve Champion fryers, with Christi taking the top spot.

In the lamb divisions, Michelle Sillman, Hondo 4-H, took the Grand Champion spot in the fine wool and Catherine Cox, Hondo 4-H, won Grand Champion in the Crossbred Lamb division.

The boys came in for some glory however as Terry Mechler, Hondo FFA, showed the Grand Champion Medium fine wool; Wayne Rodgers, LaCoste 4-H, and Gary Boyd, Devine FFA, took Grand and Reserve Champions, respectively in the pig division; and Rocky White, Devine FFA, and Preston Dick, Natalia FFA, won Grand and Reserve Champions

respectively in the capon division.

Premium sales again set a new record in the show with auction bringing a total of \$36,351.06. This compares to the \$36,078.29 brought in at auction last year.

Commercial calves brought less this year, but the number of entries had decreased 14 to six from last year. Total commercial calves sales reached \$3,527.47, as compared to \$4,818.60 last year. However last year's figure included 28 calves while this year only had 12, since each entry could only include two calves.

Judging the commercial calves showed: Joseph Nester, D'Hanis FFA, first; Scott Howard, Devine 4-H, second; Charles Nester, D'Hanis 4-H, third; Chris Heyen and Jim Jordan, Hondo FFA, fourth; and David Fohn, fifth.

Shirley Wurzbach did not sell the Grand Champion steer, but others sold their winners and the prices they brought included: RC steer, (Sherry Sultenfuss), \$1,101

Industrial week plans outlined

Big plans were laid Monday for Texas Industry Week to be sponsored April 1-7 in Hondo by the Hondo Chamber of Commerce.

The Chamber Board named Burnis Lawrence chairman of the project and outlined tentative plans which will give Hondo and area residents a good look at the industries responsible for much of what happens here.

Texas Industry Week is a special week observed by the Texas Manufacturers Association and hundreds of cities and towns throughout the state.

Locally, plans call for the renting of a building which will house static displays by all industries interested in the project. Also included in the plans are two assemblies at the High School and McDowell School at which representatives of local industries will be present to give talks and answer questions.

On the tentative drawing board also is an essay contest open to all high and junior high students. The subject will be something about industry in a small town.

Trains told 'slow down'

Trains coming through Hondo, and there are some 32 in a 24-hour time period, will do so at a slower rate from now on, the Hondo City Council decided Tuesday night.

Councilman G. P. Chapman led the move to slow the trains and made a motion to bring them down to 30 miles per hour inside the city limits. "Then if that doesn't do any good," he said, "we can lower it to 20 miles per hour."

Hilmer Mueller seconded the motion and the Council

bought the 30 mph speed and so voted.

Action came after Police Chief Jerry Williamson reported his office has been clocking the trains. "They have been keeping close to the present 45 mph speed limit," he said. "During the day they hit from 40-45 and in early morning and late evening, they go nearly 50."

Concern of the Council comes from the tragic history of deaths at rail crossings inside the city limits. The recent death of Don Leinweber marked the seventh person to be killed by trains since 1965.

Williamson also said the Council should contact the railroad company and mention the fact their trains are coming through town without using the revolving headlight. "Without that revolving light, it is very easy to take a train for a car," he said.

Elmer Faseler reported that the Water and Sewer Department's new garbage truck is now in use but that they have been unable to get as much garbage packed in it as the salesman promised when they sold it to the Council. "We can only get

Housing problems to be aired

Mary Lou Hill, AACOG Housing Planner, will be guest speaker at the Tuesday night meeting of the Medina County Committee.

Miss Hill will lead a discussion on housing problems in Medina County.

The meeting, announced by Chairman Sid Malone, is scheduled for the City Hall Building in Hondo at 7:30 p. m.

Grant Teaff is banquet speaker

Grant Teaff, head football coach at Baylor University, will be the principal speaker at the Football Team Banquet Saturday night in the McDowell School cafeteria.

The 38-year-old Teaff recently signed to "lead the Bears out of the wilderness" so-to-speak, and since he placed his name on the dotted line he has appeared at more banquets and other get-togethers than an East Texas politician running last in a six-man race.

But from the press clippings about the young Baylor mentor, he has the credentials to be both a successful coach and speaker.

A native of the far-west Texas town of Snyder, Teaff graduated from high school there in 1951 and played at San Angelo College two years before moving on to McMurry College in Abilene

where he made all Texas Conference in 1955 as tackle and linebacker.

At the same time he was learning football, Teaff was sharpening up the old toastmaster ability by working as a radio disc jockey and television announcer. And he

Pedroza files as Council candidate

G. E. (Pete) Pedroza has filed for re-election as City Councilman Place 5 and has authorized the Anvil Herald to make the following release in connection with his candidacy.

To the voters of Hondo: Fully aware of my responsibilities as one of your city councilmen, I am here-

G. E. PEDROZA

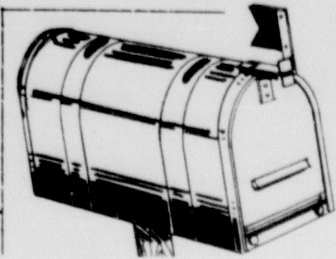

by announcing my candidacy for a third term. I believe that experience in this capacity helps to qualify me as one of your representatives in our local government.

With my fellow councilmen I have earnestly tried to work for the good of Hondo and its citizens as a whole. This I shall continue to do if I am returned to my present post for another term.

I do not make any so-called "campaign promises" other than to reassure you that I have conscientiously tried to do my best for our civic interests and that I shall continue to do so.

It is good to note a growing interest in community problems that concern all of us. It is only by working together that we can solve them and plan for a better future for our city.

I respectfully solicit your vote on election day April 1st. Thank you, G. E. (Pete) Pedroza For Place No. 5

Dear Gentlemen,

I have just returned home from New Braunfels and the State Junior Miss Pageant. Although, I didn't win a crown, I feel as if I have won in many ways. The events I experienced this week will always be cherished in my heart.

There is no way I can express to you my pride in representing Hondo. I feel many people I came in contact with now have a good, full picture of the community of Hondo.

Friday, I attended the Junior Miss Banquet and wore the beautiful corsage the Chamber sent me.

Let me close by thanking you for the beautiful flowers and your wonderful support.

Sincerely yours,
Janelle Bean

Gentlemen:

I would like to take this opportunity to thank you again for the delicious noon meal and cordial reception given to the Region XI band directors this past Saturday. This certainly shows a community interested in its youth and the advancement of music education. Your outstanding director Mr. Billy Harrell has done a great job organizing our regional band for the past two years. I would like to thank the people of Hondo for inviting the Region XI band to your community.

Dear Burris,

On behalf of the Hondo Band Boosters Club, I would like to take this opportunity to thank you and all the Anvil Herald staff for the fine publicity and picture coverage on all of the activities of the Hondo Owl Band this past year.

It's always pleasing to me to read about the good accomplishments of the young people and I am happy to see the Herald feels the same.

I would like also to express the sincere appreciation of all the Boosters to all of the people who purchase refreshments at the concessions stands; and particularly all of the parents and friends of the band who work so faithfully in these stands each year.

Hats fill ring

The ring is full as far as Democratic candidates are concerned, and the last hats thrown on the stack added some spice to the old political pot.

G. P. Chapman, presently serving as alderman on the Hondo City Council, filed before the Monday, February 7, deadline to oppose incumbent Fred Bader in the race for County Commissioner Precinct 1.

And in the Constable, Precinct 1 field, Donald Muennink filed to oppose Mary Ilse, who is filling out the unexpired term of her late husband, George Ilse. Mrs. Ilse has filed for the position also.

The race in State Representative District 45 brought out only two candidates. Rep. John Poerner incumbent in the old 49th District, is seeking re-election and he will be opposed by Jim Green of San Marcos.

Boundaries have changed in the State Senatorial District 21 also and three candidates seek the post vacated by Senator Wayne Connally, who is asking the people of Texas to seat him in the Lt. Gov. chair.

All three candidates have

been serving as representatives. They include: Rep. John Traeger of Seguin, Rep. Oscar Carillo of Benavides and Rep. Honore Ligarde of Laredo.

Congressman Abraham (Chick) Kazen picked up an opponent in the 23rd Congressional District, Frank W. Boone, a Beeville school teacher, filed to oppose the Congressman.

Other opposed races in the county include: Sheriff--incumbent Charles J. Hitzfelder, Joseph M. Pittre and Alvin Santleben; Tax Asses-

sor--Collector--incumbent Alfred Rohrbach and Lee Moss; County Attorney--Albert Vance and Allen Lee; Constable, Precinct 5--incumbent H. H. Rabe, W. N. Carroll, Pete Ramos and Leroy E. Eardley.

Unopposed George Guthrie, State Board of Education, District 23 candidates include: Judge Ross E. Doughty, District Judge; Earl Caddell, District Attorney; Charles Langfeld, Commissioner, Precinct 2; and Joe C. Hoog, Constable, Precinct 3.

Social Security Questions & Answers

QUESTION: I never worked under social security but I get monthly social security checks as a widow. Will I be entitled to Medicare when I am 65?

ANSWER: Yes, You are eligible for Medicare at 65. Anyone who is entitled to social security retirement checks at 65 is also eligible for Medicare.

QUESTION: I was reviewing my insurance recently. In considering disability protection under social security, I know there is a 6-month waiting period, but can you tell me how long it would take after a disabled worker files an application to get his first monthly cash payment?

ANSWER: It normally takes from 75 to 80 days to get all the medical reports together and for a decision to be made on an application for social security disability benefits. However, many things are involved in making a disability

determination and a delay in any one step could mean a delay of a number of weeks in getting the first monthly benefit check. That is why it is most important for a worker to apply as soon as he knows that his disability is severe and he might be disabled for a year or longer.

Attorneys will speak

Two San Antonio Chicano attorneys will be the guest speakers at the Thursday (today, Feb. 10) meeting of the Citizens for Better Government.

Albert Pena, III and Manuel Montez are scheduled to speak at the regular meeting at the Athletic Hall at 7 p.m. today (Thursday).

The public is invited to attend.

ISSUES PROCLAMATION

Farm Bureau Week signed by County Judge Decker

The week of Feb. 14-18 has been designated "Farm Bureau Week" in Medina County by County Judge Jerome Decker.

During this period the Medina County Farm Bureau will have a special membership enrollment drive as a part of a statewide effort to exceed last year's total of 127,402 member families. Medina County ended its 1971 year with 893 members.

R. A. Rodgers of Dunlay is president of the Medina County Farm Bureau. Membership Chairman is Ralph J. Graff of Hondo. All the Board of Directors will serve as membership captains on the drive.

The county president said farmers and ranchers need an organization more than ever before.

"We producers need a stronger organization to help solve problems in marketing, agricultural public relations, taxation, as well as other matters affecting our net incomes," Rodgers said.

The text of the proclamation issued by Judge Jerome H. Decker reads:

"Agriculture is vital to the economy of Medina County, our State and Nation. A large percentage of our citizens is dependent directly or indirectly upon agriculture for their livelihood. All of our people benefit from the productive efficiency of modern agriculture.

"Farmers and ranchers have learned to promote their industry through organization. Four out of five agricultural producers in this Nation belong to a general farm or

organization are members of farm Bureau.

"Farm Bureau is an independent, non-partisan, non-governmental voluntary organization of families united for the purpose of analyzing their problems and formulating solutions to those problems.

"Therefore, I, Jerome H. Decker, County Judge of Medina County, do hereby designate February 14-18, 1972, as FARM BUREAU WEEK in Medina County, and urge our citizens to give due recognition to this observance honoring the Medina County Farm Bureau.

"In official recognition thereof, I hereby affix my signature this 14-18 week of Feb., 1972.

Signed Jerome H. Decker, Medina County Judge"

Young Farmers to attend conference

An Awareness Conference for Young Farmers will be held in San Antonio Thursday and Friday, Feb. 10 and 11, at the El Tropicana Motor Hotel.

This conference is designed to make Young Farmers aware of the happenings in agriculture, legislation and the thinking of other people in this state. Some of the topics to be covered will be: "Organized Labor Looks at Agriculture", "New Developments in Farm Law", "Leasing of Machinery" and "Should You Incorporate?"

A fee of \$20 per Young Farmer and \$15 for wives will be charged to cover meals and other expenses. Family participation is encouraged since farming is a family affair.

Hondo Young Farmer members are urged to attend this conference. Additional information can be obtained from Hondo Chapter advisors John McAnelly and J. D. Schmidt or from Chapter president, Glenn Dittmar.

live in one community all their life, they are the only ones capable of solving the problems of that community.

It holds true in Hondo as well as all small towns. The natives are convinced, and will tell you so at the drop of the hat (and they will even drop the hat) that a newcomer doesn't have sense enough to recognize the problems, much less solve them.

Unfortunately, in most communities the natives are the problem. They have done things so many years the way they wanted to that they fail to recognize the need for change. And I actually believe that some of them sincerely think it's immoral for anyone to challenge them.

There is no town in the world that doesn't need to change some things. There is no elected, appointed or hired official in the world that cannot be helped by suggestions.

As publisher of a newspaper, I feel that it is my duty, my obligation to call attention to needed changes. I have done so in the past and I fully intend to continue in the future.

Not that I am always right. I don't consider myself perfect. But I do think that I am as right in many instances as anyone else. That is why I wrote what I did about the Medina County Camp Fire Council last week.

Hugh Meyer tells me I "have a big mouth" for taking a "cheap shot" at the Council.

And he's right. I do have a big mouth. And if the Good Lord is willing I intend to continue opening it whenever I see something that is detrimental, or something that can help the city in which I own a home, pay taxes, send my children to school, operate a business which employs some 20 persons and pays taxes and buys utilities.

I would certainly hope that those who disagree with me will do the same. WRITE A LETTER TO THE EDITOR ON ANY SUBJECT YOU ARE FOR OR AGAINST. Don't just talk about it over the coffee cup. Get involved. State your convictions. Tell me I am all wet and give your solution.

In other words--do something for your town. It can certainly use your help.

WILD GAME

. . . dinner enthusiasts might just love an armadillo meat and in doing so believe that they are helping rid the country of a pest.

Not so, says Frank Rothe. And he brought in the following editorial from a San Antonio newspaper to prove it. Titled "Armadillo Year" it reads:

"There is something about an armadillo that gives him a wistful, appealing look as he shuffles through the brush as noisily as a much larger animal.

"Perhaps it is because he looks pre-historic, and ill equipped for the modern world.

"The 9-banded armadillo may be attracted to a garden or flower bed, but not because he wants to eat the daisies.

"We are assured by the Texas Parks and Wildlife Department that the armadillo has an almost exclusive diet of insects. Biologists have found this out by examining the stomachs of dead ones.

"Some quail hunters still shoot armadillos in the belief that they eat quail eggs. It's

sparks

not so. They should spare their ammunition and the wildlife, too.

"Let's make this the Year of the Armadillo."

Well, Mr. Rothe and the writer of this piece didn't have a thing to worry about at the last Wild Game Dinner. There was no armadillo meat served. But the reason for this was because there weren't any armadillos around to catch, according to Armadillo Procurement Chairman Reno Stanga.

POLITICS

. . . get down to the hand-shaking, eye-balling, promise-making, baby-kissing stage this week since the suspense of wondering who will file for what office ended Monday evening. (City offices not included, for the deadline to file these is March 1).

And voters have a selection in almost every race. That means they should stop and give thought to the man they want in the office. But it also means that before they can begin to think about the man for any particular office, they have to expend the small amount of effort it takes to register.

Time alone will tell if the new registration system will prove the attraction needed to increase the number of voters. By deadline time two years ago more than 7,000 Medina County residents had registered to vote.

Under the new law residents can register anytime up to 30 days prior to the election in which they wish to vote. Right now the county rolls are far from the 7,000 figure, so we will have to wait until the elections come around to see if this new system wanted (supposedly) so badly by "the people" will be an improvement.

Anyway as a reminder: Hondo City elections will be held on April 1; and the primaries, both Democratic and Republican, are on May 6. So don't let those dates slip up on you--register 30 days prior to them. Once you have registered, all you have to do is vote in any election in a period of three years and you never have to register again--unless, that is, somebody changes the system.

MUSTACHES

. . . come and go. Or at least mine did. I was faithful to the Museum Day efforts and began mine on February 1. But I'll be danged if three days later I didn't forget it was there (it had not grown enough to see) and whacked it off. Now, I'm on my second one and it's in no better shape.

Some others I have seen that make mine look sick (come to think of it, mine would look sick in comparison to nothing) include: Lupe Alvarez, Tony Mendoza, Johnny Joe Mendoza, Bob Peden.

Now, we are thinking of getting some buttons to sell to those who do not wish to participate and the takers I have already are Ralph Hauger and Dickie Finger. And I bet Jack Gruber will join them.

So we have two choices--grow or pay. And with all the kidding it brings on--all the agony it takes--all the fun I have with it--I am going to do my level best to grow a mustache.

learned the finer points of meeting people by serving as senior vice president, Student Council vice president at McMurry while earning B. S. and M. A. degrees.

Football-wise he went into the high school ranks in 1956 but remained only one year before going back to McMurry as head track coach where he stayed three years before taking over as head football coach. In 1966 he went to Texas Tech as offensive end coach and head of recruiting and did a fine job for the Red Raiders until 1969 when he moved to Angelo State University as head football coach and associate professor of physical education.

In two years as head football coach at Angelo State University Teaff completely reversed the trend of the school's football program with two 6-4 and a 7-3 in

1971, the best in the history of the school.

Teaff is widely known as a banquet and after-dinner speaker and served as lecturer at the NALA National Coaches Convention. He is a Baptist Lay Speaker.

He served as deacon of the church in San Angelo. He is married to the former Donell Phillips of Plainview and they have three girls.

He also reported that two of his men, Juan Rodriguez and Quintanilla Pedron, are attending 156 hours of school in Uvalde under a program sponsored by AACOG. This program pays for the mileage and the salary of these men.

Additions to two local electrical systems is going to cost the city a few cents within the next few months according to Electrical Department manager Fred Johnson.

"Gary Aircraft has plans for addition work that will require installation of a high voltage system to Hanger 4," he said. "The cost will run in the neighborhood of \$6,000 to \$8,500."

A new lighting system at Barry Field will also require a new initial outlay, but school has agreed to pay a portion of this.

Council authorized City Manager Fritz Leinweber to approve purchases for Department Heads up to \$1,000. State law (VATS 2368a sec 2) requires: "notice of letting of contract where proposed expenditure of city funds is in excess of \$2,000."

City Council approved the recommendation of the Zoning Commission to zone the newly-annexed property

east of town as commercial. The area would include all the new motel and 295 feet in from Highway 90 on all property that is now inside the city limits.

Council also instructed the Zoning Commission to investigate and report to the Council at its next meeting a recommendation on changes in commercial zoning.

Jake Schuehle Ford was awarded the contract to provide the City Electrical Department with a one-ton truck, bed and chassis, on a low bid of \$3,178 and a three week delivery.

about 6,700 pounds and they were talking about 12,000 pounds," Faseler said. "So we are checking with sales people to see what the difference is."

Faseler also reported his crew has 2,150 feet to go before they can complete the sewer line which connects the newly-annexed area east of the city to the sewer line.

"We have been in solid rock all the way and the only way is to use dynamite," he said. "And that is a slow job." He said he has not compiled cost figures on the job.

Beware! - termite time is here

Spring is just around the corner, which means that termite time will soon be here. That's the time when every home and property owner should be on the lookout for that small but devastatingly persistent insect which costs his unwilling human host millions of dollars.

Spring is the favorite swarming time for termites. What this means is that a group of termites from an established colony breaks away from the "Old Folks" to set up housekeeping on their own.

If that "housekeeping" is in your building, it is likely to cost you plenty of money. You are providing the wood destroyer with all the food he needs and a good place to live.

You are making "life easy for termites". They are a present and growing danger and the home owner should be on the alert for them.

If you see a swarm of insects which looks like flying ants near your building, call **Empire Pest Control** 426-3295 and we will come by and check for termites and suggest a program of control if they are present. We are located at 1908 Ave. P in Hondo.

Gilliam-Hodges vows exchanged in double-ring ceremony

On the evening of December 30, 1972, Miss Linda Joyce Gilliam became the bride of John William Hodges in the First United Methodist Church in Hondo, Rev. Homer Weimer, pastor, officiated at the double-ring ceremony.

Parents of the bride are Mr. and Mrs. A. O. Gilliam of Hondo and the groom is the son of Mr. and Mrs. G. L. Hodges of Odessa.

Given in marriage by her father, the bride chose a gown of candlelight peau de soie featuring a bodice of tiny pleats as were the full-length sleeves. The floor-length gown was garnished with lace appliques outlined with small pearls. The bride wore a Juliet headpiece with a floor-length veil. She carried a bouquet of white roses with intermingling carnations and pink star flowers.

Miss Gora Gilliam, sister of the bride, was maid of honor. Miss Renée Lee Gilliam, also a sister of the bride, served as junior bridesmaid. Bridesmaids were Misses Judy Zerr and Sherrill Moehring and Mrs. Larry Winkler, all of Hondo.

The bridal attendants wore two-piece outfits of burgundy and pink. The pink blouse featured a high neckline and long sleeves both with ruffles. The burgundy floor-length velvet skirts were gathered with a

wide band at the waistline. The girls carried nosegays of burgundy and pink mums.

Lloyd Hodges, brother of the groom, served as best man. Groomsmen were Keith Ingram of Dallas, Richard Gaynor of Dallas, Johnny Dugger of Edna and Bill Hodges of Lubbock. Ushers were Lt. Olin Gilliam, brother of the bride; Larry Gilliam, cousin of the bride; Carl Gerjes, cousin of the groom; and Randy Brilhart of Ft. Collins, Colo.

Candlelighters were George Lee and Roger Moore, both cousins of the bride. Mrs. H. B. Eggen served as organist while Joe Nixon, soloist, sang "The Twelfth of Never" and "The Lord's Prayer".

Immediately following the ceremony, the reception was held in the Fellowship Hall.

After a short wedding trip to Houston, the couple is now residing in Galveston, where Bill is attending medical school and Linda is doing her student teaching.

That's all she wrote

by Edna McDade

This is the month for Valentines. It also marks the date (Feb. 3, 1913) when the 16th or Income Tax Amendment (which we shall have with us all ways) was enacted into law. As a matter of public service, it is noted here that Valentines are still not among the deductible expenses.

Saturday, Feb. 12, remains fixed on the 1972 We the People calendar as the date President Lincoln was born, 163 years ago, holiday bill or no. And, since this is a general election year, it seems timely to quote this from the many wise sayings of our Honest Abe: "Such will be the great lesson of peace; teaching men that what they cannot take by an election, neither can they take by war . . ."

In lighter vein, one story about Lincoln concerns the time when he was told he had the smallpox. "Good," he said, "now I have something I can give everyone!" * * *

During the past hunting season, a San Antonio man bought some shells at MOEHRING'S HDWE. and told his son to put them in his car. The boy mistakenly placed them in a car that "looked just like Daddy's only it wasn't." When the mistake was discovered, the car was long gone.

GLADYS (Mrs. M) tried to reassure the hunter by telling him that if the "getaway" car belonged to a Medina Countian, his shells would be returned--of that she seemed very sure. The man looked skeptical, said Gladys, but he bought a few more shells "just in case".

An hour or so later, MARY AGNES HUBBARD called Gladys to know if she could explain how a bag of shells, with the store's name on the bag, found its way into her car. The mystery was quickly solved.

When the hunter stopped by on his next trip, his shells were waiting for him and he could only say, "This beats all. It would never have happened in a big city! And guess who'll be coming back to Hondo for next hunting season?" * * *

If the lambs belonging to LOUIS SCHMIDT and LARRY McWILLIAMS didn't win ribbons and honors in the 31st annual Medina County Junior Livestock Show, it wasn't for lack of the tender, loving care (TLC) their proud young owners were giving them.

Louis also had his younger sister CAROL's lamb in tow for the daily walk which led along rain-soaked streets and muddy side paths.

This was the true Show spirit at its best. Someone told me that some of the "lazy" contestants were exercising their entries by pulling them along behind a pickup or a motorcycle! What price sportsmanship is this? * * *

EDDIE is the 4-year old quick-thinking son of LINDA and City Policeman ARNOLD GUJARDO. I met them on one of last week's cold mornings as they were leaving the HEB grocery.

Eddie was rubbing his little hands and I noticed that his gloves were tucked into the pockets of his jacket. "Why?" I inquired.

"To keep the gloves warm," I was informed. Ask a question, get an answer! * * *

CANDELARIA is a mighty big 4-syllabled name for a tiny and very pretty little 14-months old girl. So, her parents, AVARISTO and ALICE LUNA call her "Candy" which fits her sweetness exactly. Her daddy is a test track driver. * * *

Among my "world-traveler" friends is RUTH (Mrs. Clarence) VAN FLEET who received a trip to Hawaii as a 1971 Christmas gift from her daughter and family, the JACK (Mury Frances) BROWNS of Midland.

They made a real "family package" adventure of the visit which began when they flew to California and on to the Land of Aloha. In the group were the Browns' two sons MIKE (Okla. U.) and PAT (teen-age); and their daughter and her husband, PEGGY and BILL INGRAM of Houston.

Ruth said it was a pleasant surprise to find LENI (Mrs. N. C.) JOHNSON on the same 747 Continental Jet. And, when anyone mentions weather these unpredictable days, Ruth says she remembers that they left Hawaii on a sunny 80 degree day and landed back in Midland in 3 degree snow and ice all over. * * *

My bulging scrapbook of clippings contains this favorite that I try to remember when completely surrounded by gossip: "A closed mouth gathers no foot."

Trouble is remembering to apply that wise observation!

And now a word about H&R Block's competition.

Because we think our competition represents more of a threat to you than it does to us, we're going to help you sort them out.

Your Family

The greatest people in the world. Most of the time. Unfortunately, most of the time doesn't include income tax time. Because the last thing you need when you're doing your taxes is an aunt who took an accounting course just before she dropped out of college. Or a father who thinks how much money you make and what you do with it is something the rest of the family should know about.

Your Neighbors

You know the type. The mild-mannered shoe salesman next door who suddenly turns into a mathematical genius just about the time income tax is due. He knows all the angles. Some of which even the Internal Revenue Service doesn't know about yet. And he's willing to share them with you. "Just to be neighborly."

You

Your own worst enemy. All year long you can't balance your check book, but that doesn't stop you. Armed with your W-2's, a few reams of paper and a couple of gallons of coffee you bravely attack that stack of forms. You may be taking deductions you're not entitled to, and entitled to deductions you're not taking. So, should you be doing your own taxes?

Us

We're H & R Block, with over 6,000 conveniently located offices manned by thousands of specially trained tax preparers who eat, sleep, and drink income tax returns. People who set out to save you money and much of the time do it. The cost? Fees start at \$5 and the average cost was under \$12.50 for over 7 million customers we served last year.

Furthermore, if your return is audited we will accompany you, at no extra cost, to the Internal Revenue Service and explain how your return was prepared, even though we will not act as your legal representative.

And everyone is eligible to receive our year 'round service which is covered by our one time fee. No extra charge for help with audits, estimates, or tax questions.

We know the people we've just told you about will do your income tax return for less than we can but we don't think you can afford them.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

H&R Block.

The income tax people.

Highway markings extended

AUSTIN--The Texas Highway Commission today approved the extension of State Highway 173 markings over Farm to Market Road 689 in Medina, Bandera and Kerr Counties.

The action will provide the traveling public with a single-numbered route between Jourdanton and Kerrville.

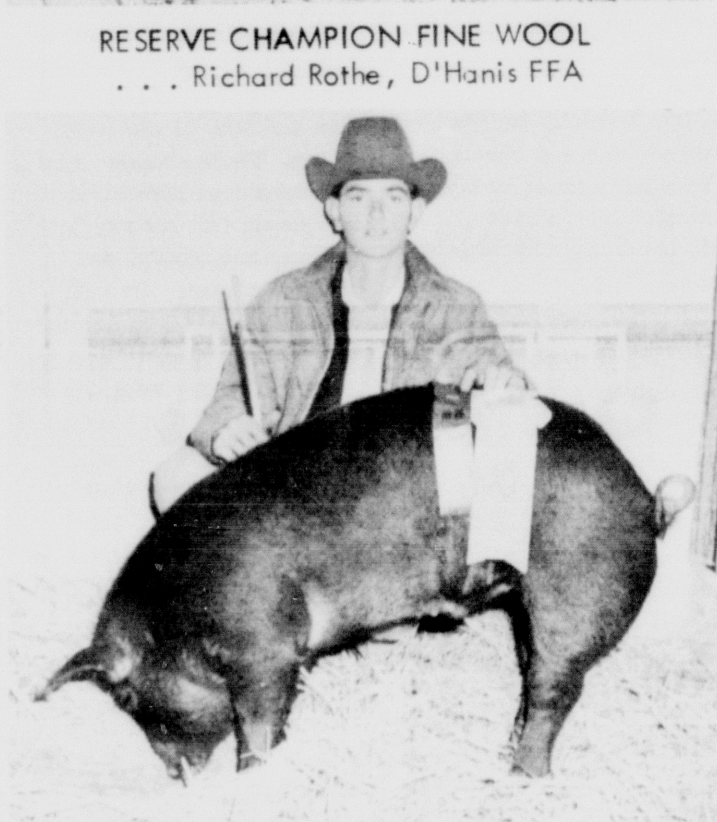

Presently State Highway 173 is routed from near Jourdanton northwestward to its junction with US Highway 90 near Hondo. Today's action would extend SH 173 markings northward from US 90 in Medina County over FM 689 to an intersection with SH 16 in Kerr County.

Wernette attending school

AIR DEFENSE SCHOOL, FORT BLISS--Army Second Lieutenant Edward L. Wernette, 22, son of Mr. and Mrs. Louis J. Wernette of Yancey Star Route, Hondo, is attending an air defense artillery officer qualification course at the US Army Air Defense School here.

The nine-week course provides training in the operation and tactics of the Army's air defense weapons systems, which include the Nike Hercules, Hawk, Redeye and Chaparral missiles. The curriculum also includes studies in air defense artillery automatic weapons systems such as the twin 40mm self-propelled gun, the caliber .50 multiple machinegun, and the Vulcan weapon system.

disabled persons and their families treatment and services, will continue through Easter Sunday, April 2.

Special emphasis is being given in the 1972 Easter Seal Appeal to the disabled citizen or his family in Medina County who may need assistance and not know where to obtain it. Any disabled person can contact chairman Henry Finger at the Hondo National Bank, who will refer the request for services to the Easter Seal Society. A determination of the extent and type of assistance needed and the most efficient means of obtaining that assistance will be made. Arrangements for needed treatment or service will be made by the Easter Seal Society.

Paul Honig decorated with Distinguished Flying Cross

DYESS AFB, TX. --First Lieutenant Paul Honig, son of Mr. and Mrs. William Honig of Hondo, was presented the Distinguished Flying Cross in a recent awards ceremony.

The citation accompanying the award reads: "First Lieutenant Paul M. Honig distinguished himself by extraordinary achievement

while participating in aerial flight as a C-47 pilot near Phu Nhon, Republic of Vietnam, on 19 March 1971. On that date, Lt. Honig flew a special psychological warfare mission in support of Allied troops in contact. Flying at low altitudes, Lt. Honig delivered loudspeaker and leaflet messages warning the local populace of an impending airstrike. His courageous action in the face of known hazards resulted in the saving of the lives of many innocent noncombatants. The professional competence, aerial skill, and devotion to duty displayed by Lt. Honig reflect great credit upon himself and the U. S. Air Force."

While serving in Vietnam May 1970-May 1971, the Lieutenant flew 215 combat missions and was awarded six Air Medals in addition to the Distinguished Flying Cross.

At present Lt. Honig is a B-52 pilot assigned to the 337 Bomb Squadron of the Strategic Air Command.

The Lieutenant's wife, Faye, is the daughter of Mr. Reuben Wiemers of Hondo.

It takes more than optimism!

The farmer/rancher is an eternal optimist. He must be—to contend with such imponderables as weather, prices and costs.

Yet, it takes more than optimism in today's high cost agriculture. It takes an organization the farmer/rancher knows he can count on. Farm Bureau is such an organization. That's why four out of five farmers in the nation are members of Farm Bureau.

Farm Bureau works for agriculture on three broad fronts—

1. TO INCREASE ECONOMIC OPPORTUNITY—Through effectiveness in Public Affairs (policy development & legislative activities)
2. TO STRENGTHEN FARMERS' COMPETITIVE POSITION IN MARKETPLACE—Through marketing programs, commodity activities, market expansion
3. TO CONTROL PRODUCTION COSTS—Through group purchasing (tires & batteries), insurance protection (fire, life & casualty), group insurance (medical care)

To The Voters Of Medina County

I Am

Joseph M. (Joe) Pitre

Candidate For The Office Of . . .

Sheriff of Medina County

At The May 6 Democratic Primary

I am a veteran of seventeen years of law enforcement. I am a native of Louisiana, married to the former DOROTHY LATIOLAIS, also a native of Louisiana.

I am the father of five children. I was educated in Louisiana and also served with the United States Air Force. In my hometown in Louisiana, I have served as a Police Officer and also as a Deputy Sheriff. I have attended several law enforcement schools in Louisiana. I am a member of the American Federation of Police Association of Florida. I served as Patrol man in the City of Hondo and was later appointed Chief of Police. I feel I am qualified for the position of Sheriff and I ask all the voters of Medina County to please consider me on May 6, for their next Sheriff of Medina County.

When elected, I propose to do the following: (1) For rich or poor everyone will be treated equally. (2) I will have qualified men in uniforms and cars with decals and patrolling 24 hours a day. (3) The Sheriff's Office will be open 24 hours a day. (4) I will work hard with every organization to bring jobs in Medina County for our people. (5) I will be available at any time to help the people in any way possible that I can to make Medina County a better place to live. (6) I will work with all teenagers in every way possible to help solve their problems.

I ask all the Voters of Medina County to give me a chance to prove myself to them. Your vote and support will be greatly appreciated.

Cards of thanks

We wish to express our sincere appreciation and thanks to all that extended comforting sympathy and help in our sorrow. May we especially thank Rev. Hanneman and Father Carolan for their many prayers. Also, to acknowledge the many kindness shown by the nurses and staff of Medina Memorial Hospital.

Family of Mrs.
Louis (Bertha) Grell
2-10-11c

May I take this means of expressing my heartfelt thanks to the Administrative staff and all personnel connected with Medina Memorial Hospital for treatment given during my recent stay there. The kindness and attention of Dr. R. W. Landers, the visits of Father Victor, Stuebgen and Carolan, the many prayers, cards and flowers of relatives and friends are indeed appreciated. May God Bless each and everyone of you.

Sincerely,
Mrs. Charles Langfeld

Pearsall whips Owls 71-61 to be No. 1

The Pearsall Mavericks moved into sole possession of first place in the District 28-AA basketball race Friday night with a 71-61 win over the Hondo Owls in the Pearsall gym.

This loss dropped the Owls one game behind the Mavericks with just three games left in district play.

Pearsall led all the way after opening a 19-15 first quarter lead and increasing that lead to 43-32 at half-time. The teams played even basketball in the second half with the Owls outscoring Pearsall 29-28.

Hondo lost the game on the free-throw line converting only 13-of-35 attempts including many one-on-one bonus shots. Pearsall converted 18-of-28 from the foul line.

Game scoring honors went to the winners Lawler with 18 points followed by McGeehee of Pearsall and Grant of the Owls with 15 points each. Ligon added 14 for Hondo and the league's high scorer Steve Wilson was held to just 11 points by the Hondo defense.

The Owl "B" Squad also

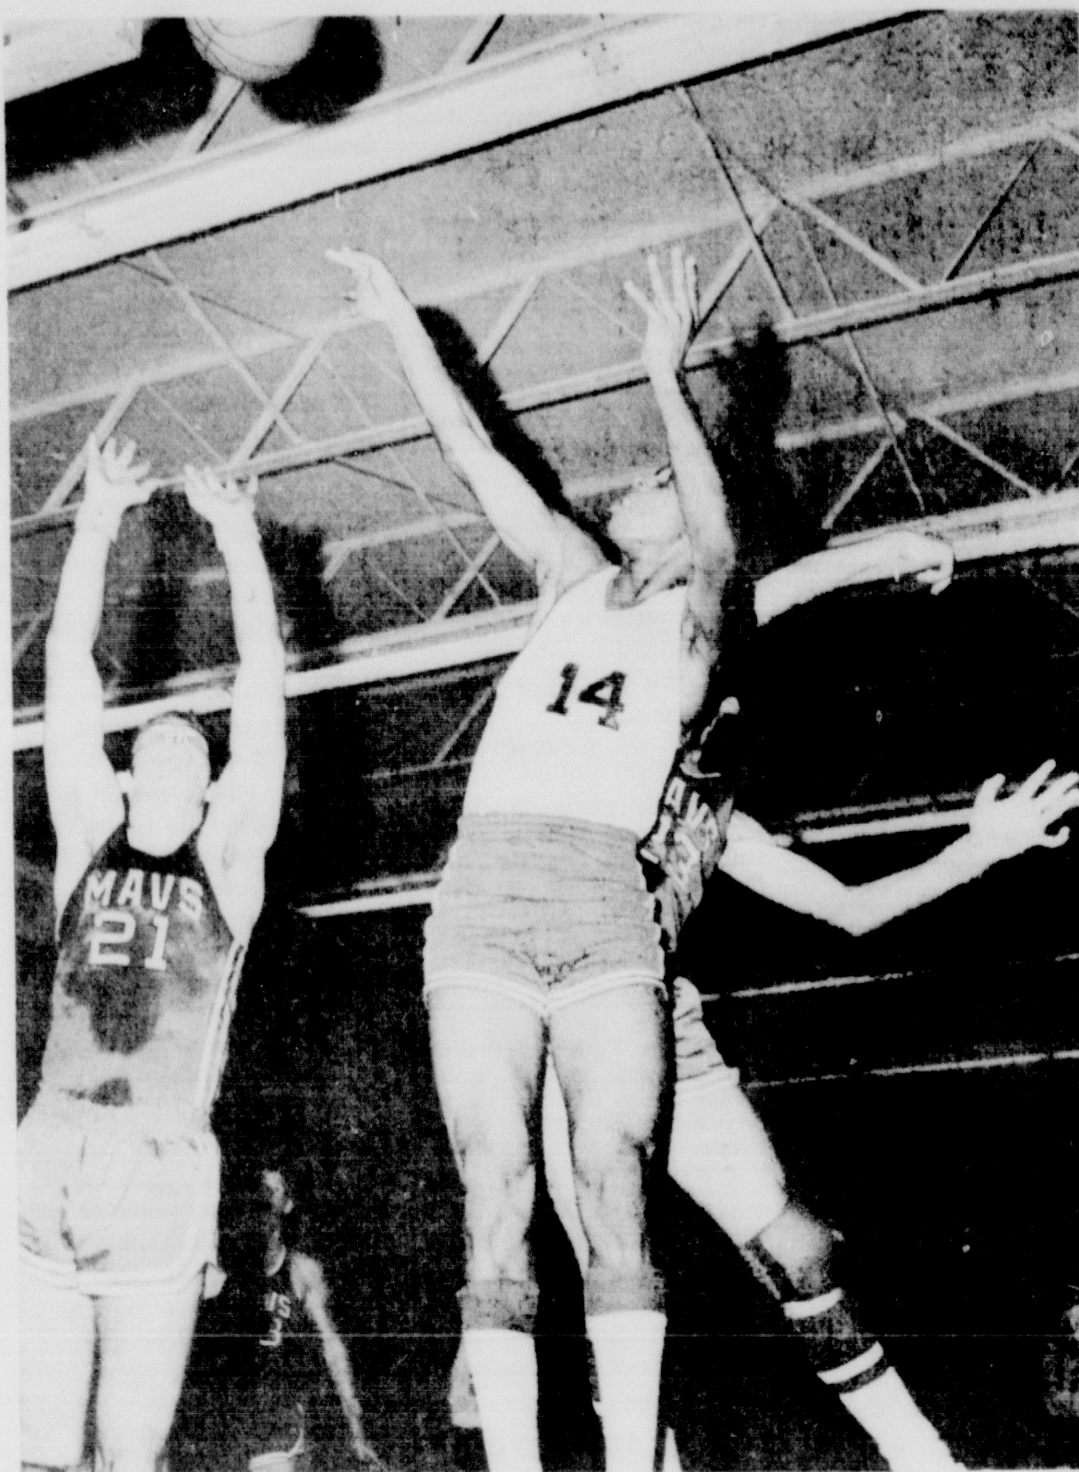

took their first district loss of the season as they bowed to Pearsall's "B" Team 50-39. Again the Owls lost the game at the free-throw line converting only 11-of-28 while Pearsall hit on 12-of-21.

Ray Garcia and Bryan Finger led the Hondo attack with 11 and 10 points respectively while Jasso or Pearsall took game honors with 15 points.

J.A. Hutto attends short course

STILLWATER--J. A. Hutto, Medina Electric Coop, Hondo, is among 115 people registered to attend the annual Summer-Winter Air Conditioning short course at Oklahoma State University Feb. 7-10.

The course, designed to bring the latest in air conditioning techniques to those working in the field, is jointly sponsored by the school of mechanical and aerospace engineering and the National Environmental Systems Contractors Association (NESA).

Owls whip Wildcats 97-47

The Hondo Owls exploded for 25 points in the second quarter and another 33 points in the fourth quarter in trouncing Carrizo Springs 97-47 in a District 28-AA basketball game Tuesday night. The Owls remain one game behind league leading Pearsall as the Mavericks

easily downed Medina Valley 65-40 at Pearsall. Wilson led the winners while only Keller with 17 points hit double figures for Medina Valley.

At Cotulla the Warhorses of Devine had little trouble in posting an 86-41 victory. The Devine attack was led

by Paul Jette with 15 points.

In the only other game played Tuesday Poteet downed Southwest of San Antonio 64-50.

At Hondo the Owls blew open a close game early in the second quarter and pulled to a 41-29 halftime lead. Keith Ligon led the Owls with 21 points followed by James Batteau with 17. Eric Grant and Gordon Wiemers each had 11 and Tom Hill and Robert Blackshear added 10 points each as all the winners broke the scoring column.

B-TEAM

Coach George Ridell's B-Team bounced back from their only district loss of the season and posted a 62-52 win over the Carrizo B-Team. The junior Owls trailed 35-25 at halftime but scored 23 points in the third quarter while holding Carrizo to just five points and took a 48-40 lead.

Doug Helvey led the winners with 25 points followed by William Green with 12 points. The losers Esquivel scored 22 for Carrizo.

'Kebo Ligon named to Two-AA All-State

Hondo's Keith "Kebo" Ligon became one of the elite juniors making the Class AA All-State mythical teams, according to a release mailed the Anvil Herald by Don Henry of the Lubbock Avalanche-Journal.

Somehow, the list has not been released in this area prior to this time.

Ligon, the Owls' premier running back all year, was named to the second team offense. Both defensive and offensive teams were dominated by Refugio, a team the Owls beat 14-7 in quarter-

finals.

Ligon was selected as a runningback on the second team offense along with Ralph Funk of Littlefield and Mack Cumby of Brownsboro.

Dennis Claybrook, Refugio senior, was the only player to make both offense and defense on the first team. He joined teammates Bobby Adams, center; Randy Knox, linebacker; and Carl Green, defensive back, on the teams.

Title winning Jacksboro only placed three men on the two first teams and runner-up

Rosebud-Lott (who whipped Hondo 33-7) only had one.

The mythical teams included:
